

PRANAOS VERSION 1

FUTURE PLANS OF PRANAOS

1. More Applications Will Be Added

More applications such as browser, text-editor, file-manager etc. will be added soon!!

2. Improve More Security

Privacy is more important that others we work more

3. MACOS like operating system

we are trying to make pranaOS like macOS trying to make pranaOS core like macOS

3. What can be expected in the next version:

- Some Libraries Will Be Added
- More Applications Will Be Added
- Terminal Bugs Will Be Patched
- c -> c++ conversion
